Matica Genuine Consumables

EXCLUSIVELY DESIGNED TO WORK TOGETHER IN PERFECT HARMONY WITH MATICA DESKTOP PRINTERS

Matica Genuine Consumables provide high quality printing and ease of use. Each printer automatically recognizes the ribbon type and knows exactly how to use it in the most optimized way. Genuine Matica Ribbons provide status checks of the remaining ribbon and automatically alert when the ribbon is running low. Only Matica Genuine Consumables ensure maximum performance and maximum print head life.

GUARANTEED QUALITY & COLOR CONSISTENCY

By choosing Matica Genuine materials, you choose proven performance, top quality and color consistency combined with additional benefits and unique features

BENEFITS OF USING MATICA GENUINE RIBBONS

- Consistent reliability in print & color quality
- Optimized print head life
- Ribbon auto-recognition
- Software alerts when print job doesn't match ribbon type installed
- Reduced downtime with ribbon life status & replacement alerts
- Greater ease of use
